Texas Color Guard Circuit State Championship Program

This event will be held at the Berry Center on March 28-29 & April 4-5, 2008

---

This is the 2nd Year that the Cy-Fair High School Band Boosters will host this event over at the Berry Center. There are over 160 Percussion and Color Guard Units from various high schools around the state of Texas that will participate in this Championship Event. For all of these participants, this is like their 'Superbowl', and the last time that they can display their talents. We are also estimating attendance of 4,000 spectators for both weekends. As you can imagine, the excitement is building for this event.

We are asking Local-Houston Area Businesses to help support the 'fine arts' by purchasing ad space in the program. We thank you in advance for your support with this event.
