Cy-Fair High School Band Boosters

Our organization is a parent group that exists to support our children in the marching band & color guard and to help meet their financial, health, safety and equipment needs. Our efforts supplement the instructional, financial, equipment, transportation and venue resources allocated by the Cypress Fairbanks Independent School District. We function as an independent entity chartered under the [Guidelines](#) set forth by CFISD at <http://www.cfisd.net/en/parents-students/parent-involvement/pto/>.
